

Pennock

center for counseling

Pennock Center's mission is to ensure mental health care is accessible to all, regardless of income or insurance coverage. Your generous sponsorship helps make compassionate, affordable care possible for individuals and families who need it most.

INDIVIDUAL COUNSELING

This is a one-on-one counseling for adults, adolescents or children. Counseling focuses on the needs and goals of the client, along with the factors contributing to the difficulties. Often the focus of therapy is on coming to a fuller understanding of the problem, increasing self-awareness and learning to manage difficult emotions related to the problem.

CHILD & ADOLESCENT COUNSELING

Children and adolescents benefit from individual counseling especially if they experienced something traumatic or are adjusting to a loss or major change in their lives. Counseling can help children and adolescents express their feelings and needs in direct, healthy ways and prevent acting these feelings out in problematic ways.

COUPLE'S COUNSELING

In couple's counseling the therapist works with the couple to resolve the problems that are getting in the way of a satisfying, healthy relationship. The therapist helps facilitate the following: mutual understanding between the partners, improved emotional connection and more effective communication.

GROUP COUNSELING

Groups are an effective way to work through issues if clients desire a supportive group environment that includes the opportunity for feedback and assistance from other group members. Facilitated by a therapist, counseling groups are a way to work through individual problems with the added benefit of support from others in the group.

Cornerstone Partners

Cornerstone Partners are more than sponsors, they are essential champions of accessible mental health care in our community. As a Cornerstone Partner, you'll receive meaningful recognition throughout the year while also gaining a closer connection to the impact of your support. From mission updates and client impact stories to special invitations and partner spotlights, you'll see firsthand how your generosity helps remove financial barriers and ensures individuals and families can access the care they need. Together, we are building a stronger, healthier community.
